

SIV PROCESSING AT PLATFORMS

1. Intake*

COVID tests are administered upon arrival. Guests are placed in culturally appropriate temporary housing.

1

2

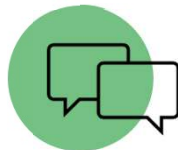

3a. Medical Exams

Exams are scheduled & guests are transported to facility for their medical exam. After results are received, follow-on care is provided as needed.

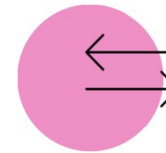

~ 1-2 weeks

3

3b. Assurance Process

By working with resettlement agencies, guests are matched with a U.S. community. Flights booked after visa issued.

3c. Visa Appointment

Appointments are scheduled & guests are transported to U.S. Embassy or Consulate for a visa interview

4

5

5. Visa Issuance

Visas are issued to guests by U.S. Embassy or Consulate.

4. Administrative Processing

Less than half of the guests require additional security checks & other processing; when required, most are quickly resolved.

~ 1-2 weeks

6

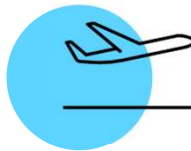

6. Preparation for Departure

Information on U.S. resources & laws are shared with guests. Pre-flight medical checks & platform check-out are completed; flights are booked.

~ 1-2 weeks

7

7. Departure

Guests are escorted to the airport for departure to the U.S.

***Note:** Before Step 1, pretravel vetting & medical checks are completed prior to departure from Kabul.
